

Verde Valley Christian Church Worship Team Covenant

The Reason For This Covenant:

- To have a better understanding of who and what the worship team is and does.
- To give the worship team leadership a way of knowing that I understand who Jesus Christ is, that I have accepted Him as my Lord and Savior, and that I am a member of VVCC.
- To show that I am committed to the VVCC worship team.

Goals Of The VVCC Worship Team:

- To give praise and worship to God through the music we play and the songs we sing.
- To help the congregation connect with and give praise and worship to God on Sunday morning through our presentation of songs. We try not to call attention to ourselves in anyway, but rather seek to call attention to God.

Requirements To Be On The VVCC Worship Team:

- I must be a member of VVCC, meaning I have attended CLASS 101 and have made the CLASS 101 commitment, in order to become a part of the VVCC worship team.
- I must be at least 16 years old to participate with the VVCC Worship Team on Sunday Mornings.
- I must have competency in an area that pertains to the worship ministry at VVCC (i.e. a musical instrument, voice, sound engineering, etc...).
- I must meet with and discuss the worship team covenant with the worship leader as well as audition a worship song that I select for the worship team leadership.

My Commitment To God:

- To pursue a deeper personal relationship with Jesus Christ through worship, prayer, and study of His word.
- To live a lifestyle that reflects the highest Biblical standards of holiness and integrity.
- To have personal accountability with other believers who love me and are committed to my spiritual growth and development.
- To be intentional in the development of my instrument, voice, and/or technical abilities.
- To develop personal practices of worship based on God's word and His working in my life.

Our Commitment To One Another (Everyone On The Worship Team)

- To attend faithfully and be on time to practices and worship services knowing that my absence or lateness affects the entire worship team. If I will not be available for any given weekend I will let the worship leader know as soon as possible so that he will

better be able to plan the services knowing who will be available and who will not be available.

- To help with setting up and/or tearing down the sound system depending on which team I am on.
- To encourage my fellow team members in their areas of service.
- To support my fellow team members in prayer.
- To offer my creative input with humility and grace.
- To guard the unity of the church and worship team by refraining from gossip. I will neither speak nor listen to a negative word or gossip about my fellow team members or the worship ministry.
- To communicate all worship team concerns in a godly and prayerful manner to the worship team leader.

My Commitment To My Church:

- To support and further the vision and mission of Verde Valley Christian Church with the gifts God has given me.
- To submit to the leadership and authority under which God has placed me.
- To serve my God and King with a positive and joyful attitude.

I Understand That:

- I must be at practices in order to be on the worship team on Sunday mornings. If I have missed a practice I will worship with the congregation on Sunday morning that week.
- As a part of the VVCC worship team I am a leader in the church and realize that others will be looking up to me so I will act, speak, and dress in a Christian manner as a representative of the church and of Jesus Christ.
- As I begin serving with the worship team I will be under an “audition” phase for the first two months at the end of which I will meet with the worship leader(s) and we will discuss any potential issues we may see and also whether worship ministry is right for me.
- At the end of my “audition” phase, if either the worship leader or I determine that service on the VVCC worship team is not a good fit for me at that time, I will continue to strive to find my area of ministry.
